

PROJECT N. 4/2022 MECCANICA - VENETIAN COMPANY PROFILES

	Company Name	Website	Date of foundation	Number of employees	Turnover in 2022	Description of your activity	Product Detailed Description - Metal Work & Parts	Product Detailed Description - Turning & Milling	Product Detailed Description - Coating & Treatment	Product Detailed Description - Plastic Work & Parts	Product Detailed Description - Others	Customs Code	What are the most common applications of your company's production?	Which are the main competitiveness factors of your company?	Foreign markets: where do you export to?	Your presence in foreign markets	Would you like to get in touch with some specific foreign companies?
1	OMAS SRL	WWW.OMASINDUSTRIES.COM	30/03/1971	85		The design, production, repair, and processing, including contract work, and the design, production, trade of milling plants, agricultural machinery, machine tools, metal and sanitary products of any kind, and any related or similar product, in addition to providing all the services necessary for making the final product.	Welding, Bending, Stamping, Pressing	Outsourced	Outsourced	None	Sheet Metal Work, Machine building	84378000; 87379000; 84381010	Sheet metal working of machines and components for the milling, food, beverage, tobacco, household appliances, naval industries	Design, Quality, Quality/Price ratio, Variety of product range	Germany, France	None	no
2	OFFICINE ORTIGA SRL	WWW.ORTIGA.IT	1973	31	6.200.000,00 €	Gutters production, light carpentry, curtain walls and in the construction of casings for thermal insulation.	Welding, Bending, Deep Drawing, CUTTING-CALENDERING-PUNCHING - POLISHING - SHEETS	None	None	None	Sheet Metal Work	73.08.90 - 76.10.90 -	Buildings and every kind of company that need of metal components	Technology, Quality, Quality/Price ratio, Variety of product range	USA	Direct	NO
3	FAVARON srl	www.favaron-italy.com	fine 19° secolo	21	2.900.000 ca	Design and plastic injection molding	None	None	None	Moulding, design and injection molding	Injection molding	3926 9097	furniture, packaging, household appliances, lighting, biomedical appliances, shoe industry, contract work basis	Design, Quality, Variety of product range, Customization	Germany, France, Spain, United Kingdom, United States of America, Finland, Bosnia	Direct	no
4	CB Stampi srl	www.cbstampi.it	1980	22	3.300.000	We want to be your reference company for developing moulds for plastic materials and production because of our expertise and experience, thanks to which every idea/project that comes from our clients can be actualised. We can do this through a close-knit team of people who work together to reach the same objective and share the same values. DETERMINATION in obtaining the pre-set result ENTHUSIASM in working daily for the same purpose DISCIPLINE in respecting shared rules RESPONSIBILITY in carrying out our own activities	Stamping, Injection mold development and production by bi-injection presses	Turned parts, Milled parts	None	Moulding, Injection mold development and production by bi-injection presses	Mould making	39	Mold development and production of plastic item in PP, SAN, PET, Rubber by injection for Cosmetic, Food & Beverage, Industrial, Pharmaceutical, Household markets	Design, Technology, Quality, Quality/Price ratio, Variety of product range, wide range of injection parts to satisfy any market request	Germany, France, Switzerland, Spain, United Kingdom, North Africa, Scandinavia, East Europe, Middle East, North America, South America	Direct, Representing/Rappresentanza, Import/Distributor	no
5	BaggioGroup srl	www.baggiogroup.com	2000	25	4.000.000,00 €	sheet metal working with construction of metallic and mechanical carpentry	Welding, Bending, laser cutting, product integration assembly	from external supplies	from external supplies	None	Sheet Metal Work	D-U-N-S® Number65511298 Activity(SIC)3443	we operate in the agricultural, forestry and plant construction sectors	Technology, Quality, Quality/Price ratio, Variety of product range	France	Direct	no
6	ALESA SRL UNIPERSONALE	WWW.ALESA.IT	20/06/1988	15	1.600.000,00 €	Medium-sized carpentry construction, metalworking works of turning, milling, precision reaming	Welding	Turned parts, Milled parts, Fittings, Flanges	None	None	None	/	INDUSTRY DOMESTIC APPLIANCES; INDUSTRY PHOTOVOLTAIC; MACHINE TOOLS; SHEET METAL MACHINERY	Technology, Quality, Variety of product range	None	None	NO
7	Benozzi Engineering s.r.l.	www.benozzi.com	1974	77		Third-party mechanical machining for different sectors	Welding, Turning, Milling, Assembly	Turned parts, Milled parts	Blasting, Heat and surface treatment in outsourcing	None	Assembly	N/A	Racing and motorsport	Technology, Quality, Quality/Price ratio, Variety of product range, Different Business Units to meet the requirements of different customers' sectors	Switzerland, Canada, Luxembourg, Russia	Direct	NO
8	Premec S.p.A.	www.premec.com	21.07.1987	35	12.154.037,00 €	Design and prototyping; construction of injection molds in steel and aluminum; molding of plastic materials with presses from 35 to 650; Cold stamping; production automation; machining of aluminum with machining centres; sheet metal shear; processing of aluminum from extruded bars	Welding, Bending, Stamping, Pressing	Turned parts, Milled parts, Fittings	Painting, Coating, Galvanising	Moulding, Stamping	Sheet Metal Work, Mould making	9508.91, 9508.12.00, 3926 ... 8308 ..., 84807100	car lights, car interior, fitness products, ski-bindings, motorbike boots and jackets, coffee machines, baby products, closure systems for ski-boots, medical sector, household appliances	Design, Technology, Quality/Price ratio, Variety of product range	Germany, France	Representing	NO
9	GAMBA STAMPI SRL	www.gambastampi.it	1973	22	4.000.000,00 €		None	Turned parts, Milled parts	Heat Treatment, Coating	None	Mould making	820730	automotive, robotic automation, hydraulic/pneumatic industry, engine industry, electrical appliances, furnishing, hobby/gardening market, household products, other fields	Technology, Quality, Variety of product range, the mould you need for your product	Germany	Direct	NO
10	ARTIMETAL SAS	WWW.ARTIMETAL.NET	1995	11		MECHANICAL PRECISION	PROCESSING ALL STEELS AND PLASTOMERICS	Turned parts, Milled parts, Fittings, Flanges, ANY MECHANICAL PART ACCORDING TO THE CUSTOMERS DESIGN	Blasting, Heat Treatment, Coating, Galvanising	ANY MECHANICAL PART ACCORDING TO THE CUSTOMERS DESIGN	ANY MECHANICAL PART ACCORDING TO THE CUSTOMERS DESIGN	TARIC CODE 73262000	INDUSTRIAL PLANT	Technology, Quality, Quality/Price ratio, Variety of product range	AUSTRIA + CHINA + THAILAND + INDIA + RUSSIA	Direct	NO
11	Stampplast srl	www.stampplast-bi.com	01/01/2015	44	5.000.000	Mould construction and molding of plastics	None	None	None	Moulding	Mould making	3926 9097	Medical, Cosmetic, Electronics, Appliances	Technology, Quality, Quality/Price ratio	Germany, France, Switzerland, United Kingdom, Russia, Romania, China, Slovakia	Direct	NO
12	MOULD DESIGN SNC	https://www.moulddesign.it	18/12/2019	7		Design, manufacture, repair and processing on behalf of third parties of technical moulds for plastics, mechanical equipment, mechanical parts	Stamping	Milled parts	None	Moulding	Mould making	/	PLASTIC MOULD	Technology, Quality	None	None	NO

13	ERREGIEMME SRL	www.ereggiemmine.it	03.05.1999	8	2.313.972,34	specialized in the production of small metal parts making products to design and sample of the customer. In particular we are able to design and produce turned parts for the furniture, lighting, curtains, hydraulic and oleodynamic fittings and hardware in general.	TURNING	Turned parts	tumbling, buffing, polishing, brushing, satin finishing and finishes such as brass plating, chrome plating, nickel plating, zinc plating, oxidation	None	None	7307-7318-7415	turned components for the furniture, lighting, curtains, hydraulic and oil-hydraulic fittings and general hardware sectors	Quality/Price ratio, Variety of product range	Germany, NETHERLANDS	Direct	NO
14	PERTILE SRL	www.pertile.it	1978	10	3.000.000-4.000.000	metalworking firm, automatic turnery - production of small metal parts	None	Turned parts, Milled parts, Fittings, Flanges	NOT INTERNAL TO THE COMPANY, BUT COLLABORATION WITH SUPPLIERS	Pressing	Mould making, NOT INTERNAL TO THE COMPANY, BUT COLLABORATION WITH SUPPLIERS	84389000 - 84381090-7318290090	AUTOMOTIVE, MEDICAL, CONSUMER GOODS, FOOD INDUSTRY HOME AND PROFESSIONAL, WINE SECTOR	Design, Technology, Quality/Price ratio, Variety of product range	EUROPE - USA	Direct	NO
15	MECCANICA FRANHIN SNC	WWW.MECCANICAFRANHIN.IT	1975	14	between 1-3 mil	Turning, stamping, laser cutting	Bending, Stamping, Pressing	Turned parts, Milled parts, Flanges	None	Pressing, Stamping	Sheet Metal Work, Mould making	7202	1-naval-aeronautical industry 2-automotive 3-footwear 4-electrical-electronic 5-home system (interior design) 6-house system (window frames) 7-hydraulic, pneumatic, hydraulic 8-urban design 9-automations 10-packaging-logistics 11-agricultural 12-mechanics in general 13-medical 14-boiler 15-machinery 16-hobby- sport 17-lighting technology 18-household appliances 19-informatics 20-construction-engineering-architecture 21-rubber, plastic	Quality, Quality/Price ratio, Variety of product range	Germany	Direct	NO
16	C.M.S. di Tonon Silvano	www.cmsmeccanica.it	31.07.1980	19	€ 4.000.000,00	Precision machining (turning, milling, wire EDM	None	Turned parts, Milled parts, Flanges	None	None	None, Sheet Metal Work	73269098	Sectors: food, automation, packaging, nautical, oil	Technology, Quality, Delivery	Germany, France, Switzerland, Spain, United Kingdom	Direct	NO
17	C.L.M. SRL	www.clmmeccanica.it	1980	28		METAL WORKING AND MECHANICAL ENGINEERING	None	Turned parts, Milled parts	None	None	Machine building, Mould making	84879057	MACHINERY FOR FOOD, ELECTRICAL SECTOR, FOUNDRY SECTOR AND AUTOMATIC EQUIPMENT FOR SPECIFIC CUSTOMERS NEED, DIE CASTING, POLYMER, DIE CASTING, POLYMER, DIE	Quality, Innovation and flexibility	Germany, France, BELGIUM	None	NO
18	Elettromeccanica Viotto S.r.l.	www.elettromeccanica.viotto.com	1958	95		The company has consolidated experience in the fields of construction, carpentry and machining for the supply of complete plant machinery in the following sectors: -Steel -Energy - Chemical -Petrochemical -Nuclear It also deals with: -Building of spare parts in general -Building and overhaul of electric motors and electrical and electronic equipment -Mechanical and electrical maintenance -Design and construction of precision components -Mechanical machining and construction in medium-heavy mechanical carpentry	Welding	Turned parts, Fittings, Flanges	Painting, Blasting, Coating	None	Machine building	/	Energy and steel industry	Quality, Variety of product range, Customer Care	Germany, France, Spain, United Kingdom	Direct	NO Outokumpu, Finland (we do not know anyone but we would like to work with them.) Aleris Aluminium Duffel, Belgium (Marc De Dobbelaere, marc.de.dobbelaere@alvancegroup.com, we met him at a meeting, but we think he's a technician, it would be more useful to have someone from the purchasing side) - Tatasteel, Holland (Erwin van-Beek@tatasteelleurope.com, Michel.vanBorkum@tatasteelleurope.com, Wim.Balder@tatasteelleurope.com (we met them at a meeting as well, but we think they are technical too, it would be more useful to have someone from the purchases))
19	Off. Mecc. Zanatta Romeo Srl	www.zanatta.it	1972	22	5.402.000,00	Construction Gears and Racks, power transmission components	turning, milling, grinding	Turned parts, Milled parts, gear racks, shafts, gears, chain wheels	Heat Treatment, Galvanising	Milling	None	84834021 - 84834029	Laser Plant, Water Jet, Milling and Turning Machines, Foundry	Technology, Quality, Quality/Price ratio, Variety of product range, Standard products and fully customized on customer DWG	Germany, France, Spain, United Kingdom, Austria, Poland, Hungary, Czech Republic, China, Sweden, Israel, Slovenia, Holland,	Direct, Import/Distributor	NO
20	D.M.L. SRL	www.torneriagomi.it	1982	29	9.395.841,98 €	CNC Turning of metal parts for third parts (steel, stainless steel, brass, aluminium) 83-80 mm, batches from 3000 to 200.000 pcs	None	Turned parts, Fittings, Flanges	We don't treat the pieces internally, but we are able to sell the treated item thanks to some sub-suppliers of our area	None	None	73269098, 74198090, 76169990	Oleodynamics, hydraulics, gas, fluid control, medical sector, heat pumps, pressure gauges, pumps	Technology, Quality, Quality/Price ratio, Management of the process, precision, high flexibility, lean	Germany, France, Poland, Netherlands, Romania	Direct	Bürkert Fluid Control Systems (DE) Andreas Muggenthaler +49 7940 10 0 (not direct) Hydrotechnik (DE) Christian Nemark, Christian.Nemark@hydrotechnik.com Haxxon motor S.r.l. (Svizzera), Maths Oylling +41 (41)885 15 99 Adolf Würth GmbH & Co. KG (DE) info@wurth.com, +49 7940100 Knorr-Bremse AG (DE) purchasing_it@knorr-bremse.com; michael.muehl@knorr-bremse.com Hydac Verwaltng GmbH (DE) Herr Kurtz, +49 (0)8897 509-01, info@hydac.com MEDENUS Gas-Druckregeltechnik GmbH (DE) Herr Alexander Christiani, +49 2761827880, info@medenus.de
21	FANTIN LINO SRL	www.linofantin.it	04/1963	18		FANTIN LINO s.r.l. has been operating in the precision machining field for 60 years, and is specialised in turning, milling and boring small and medium sized lots.	None	Turned parts, Milled parts	Painting, Heat Treatment, For treatments and other specific services, we collaborate with	None	None	000, ATECO: 25.62.00; 25.73.12	Precision components for machine tools and packaging machines.	Quality, Quality/Price ratio, Variety of product range	Germany, Switzerland, Austria	Direct	NO
22	LAMPA PLASTIC SRL	WWW.LAMPAPLASTIC.COM	1970	40	8 MLN €	PLASTIC THERMOFORMING	None	None	Painting	Stamping, THERMOFORMING	GLUING OF ACCESSORIES, POLYURETHN INJECTION	39269097	AGRICULTURE, MEDICAL APPLIANCES, LASER MACHINES, HOSPITAL FURNITURES	Technology, Quality, Quality/Price ratio, Variety of product range	Germany, Switzerland, DENMARK, LIECHTENSTEIN	Direct	NO
23	DUEDI S.r.l.	www.offmeccduedi.it	28/07/1985	19	2.556.369,12 €	Mechanical processing and foundries products	Bending, Pressing, Engraving and etc.	Turned parts, Milled parts, Fittings	Painting, Heat Treatment, Cracking	Moulding, Pressing, Stamping	Sheet Metal Work, Machine building	84629980; 84 7141 00 000; 84, 7150 00 000; 84, 7150 00 000	All ferrous and non ferrous foundries, metalurgical, food Automotive, Machine building, Pharmaceuticals, Coating machinery, machines for the	Design, Technology, Quality, Quality/Price ratio, Quality/Price ratio	Romania, Japan, Taiwan, South Korea, Azerbaijan/Bahrain	Direct,	NO
24	Officina Meccanica 2c sas	www.officinameccanica2c.it	1987	14	1.771.223,70 €	Turning, milling, grinding and assembly of precision mechanical parts	None	Turned parts, Milled parts	None	None	Machine building	/		Quality, Quality/Price ratio	None	None	NO

25	Modelleria Zuin S.r.l.	http://modelleriazuin.it/	17/02/1998	13	2.923.578.00 €	DESIGNING: The technical department, with the most powerful CAD and CAM systems, developing the project which, once validated by the customer. SIMULATION: Simulations can be made during or at the end of the design phase to allow in preview the behavior of the equipment and the final result of the casting in order to obtain a result metallurgical standards-compliant of the client. N. 10 Workers (Technical designers and programmers Cad / Cam) OUR MACHINERY: A "Product Plan" is drafted for every project with N. 14 numerical control machines, all endowed with CAM positions and a tools, includes many 3 and 5-axis high-speed milling machines, with a working range up to 3000x1000x600 mm. They are ideal to work any type of material, such as plastic resins, aluminum, steel, titanium, etc. PRODUCTION AND SERVICES: The 3D model is engineered for the CAM processing and available for the machine	None	Turned parts, Milled parts	Painting, Heat Treatment, Coating	3D printing	Mould making, rapid prototyping	-25622 -73259810 -3824000 -8480400 -76168910	Machining of tools and products Rapid prototyping Designing	Design, Technology, Quality, Variety of product range	Germany, France, Spain, Slovenia, Belgium	Direct, Representing/Rappresentanza	NO
26	Molificio Rizzato	https://www.molificio-rizzato.com/eng/production/index.html	1960	15		The company works in very different sectors supplying wire springs and sheets metal spring. All the projects are made and build in house with our equipment that means EDM, laser cut and a milling machine. We are able to follow a new project from zero driving our customer to the end with many solutions. Our company takes care of small and big production. All our springs are custom made according to your needs. We are also very interested to develop prototypes for new future productions. Usually we made traction springs, compression springs, torsion and double torsion spring, special and custom springs and work with different materials like INOX, carbon steel, inconel, nimonic and many alloys.	Bending, Stamping, Colling, forming wire and sheets metal	None	Blasting, Heat Treatment	None	Sheet Metal Work, Mould making, Wire forming, moulds project for bend and cut metals		Naval, illumination, fashion, agricultural, electric, fishing, mechanical, fixture, building that's few of our sectors. And always open to start in new ones.	Technology, Quality, Quality/Price ratio, Variety of product range	Germany, France, Africa, Slovenia	None	NO
27	MEC.CARP SRL	WWW.MEC-CARP.COM	02/01/2001	25		Mec. Carp. provides a wide range of services, from the production of simple or complex turnkey structural works to the manufacture of turnkey machinery as a complete plant.	Welding	Turned parts, Milled parts, Fittings,	None	None	Sheet Metal Work, Machine building, Mould making	/	earthmoving machinery, industrial automation, rides, other...	Quality, Variety of product range, A WIDE RANGE OF SERVICES	None	None	NO
28	PIROLLO DANILO	www.pirolo.it	1982	17		From 2 axis to 5 axis turning and milling. Pirolo Danilo company work with a vast range of materials: from titanium to hardened materials, and from polymers to stainless steels, starting from diameter 5 to diameter 300.	None	Turned parts, Milled parts, Fittings, Flanges	Blasting, Heat Treatment, Galvanising	None	Machine building		Aerospace, Automotive, Robotics, Medical, Pharmaceutical. Machine for food use	Technology, Quality, Quality/Price ratio, Variety of product range	Germany, Switzerland	Direct	no
29	4C S.R.L.	www.4csr.it	22/12/2004	22	3.078.615,68 €	4C is an innovative center of mould design and injection moulding of plastics and rubber	Stamping	Turned parts, Milled parts	None	Moulding, Stamping	Mould making	30269097	food & beverage, medical	Technology, Quality, Quality/Price ratio, Variety of product range	Germany, Romania	None, Import/Distributor	NO
30	MSM Stampi Srl	www.msmstampi.it	1979	37	5.000.000	MOLD MAKING FOR INJECTION MOULD AND SHEET METAL, MOULDING AND ASSEMBLING PARTS	None	None	None	Moulding	Sheet Metal Work, Mould making	73269098 3926909790	Injection mould and moulding	Technology, Variety of product range	Germany, France, Switzerland, United Kingdom	Direct	no
31	HP TECH SRL	www.mptechweb.com		1985	10	Precision Machining	Milling, Micro Drilling, Die-sinking EDM, Deep hole drilling, Wire EDM, Metrology, Repair and assembly	Milled parts, Single piece, prototyping, misseries / pre-series production for industry -automotive- aerospace - medical	Blasting	Design and product of special mold holders	Machine building, Mould making, Production of mechanical components and special mold holders for automotive-	25.73.2	Milling, Micro Drilling, Die-sinking EDM, Deep hole drilling, Wire EDM, Metrology, Repair and assembly	Design, Technology, Quality, Quality/Price ratio, Variety of product range	Germany	Direct	no
32	HIBOS s.r.l.	www.hibos.it	1980	10	2.000.000	Subcontracting manufactory specialized in stainless steel structural works and mechanical processing.	Welding, Bending, steel wire bending 4-8 mm for middle and little series	Turned parts, Milled parts, Turned and milled parts for middle and little series	Painting, Blasting, Coating, Electropolishing - all treatments are carried out by our suppliers	None	Sheet Metal Work, Machine building, we have an our own production line of professional grill for catering adn automatic machines for pasta food.	73269098	Guards and item carpentry for machine in the following fields: packaging, bakery, industrial refrigeration, medical. Furnishing details.	Quality, Variety of product range, Wide range of INTERNAL processes: TIG and MIG welding; sheet metal cutting, bending, calendaring; tube and round bending; drilling, milling, turning, stamping. Ability to manage and follow other EXTERNAL mechanical and finishing processes on behalf of the customer to deliver a finished	Switzerland, Spain, United Kingdom, Sweden	None	NO
33	EFFEDUE SRL	https://www.uffedue.eu/eng/	1976	70	12.8 million €	Mechanical machining - turning, milling, etc.	Welding, Bending	Turned parts, Milled parts, Flanges	Painting, Blasting, Heat Treatment, Coating, Galvanising	machining	mechanical machined components	7318, 7326, 7419...	Mechanical components for all kinds of applications, machines, etc.	Quality, Variety of product range	Germany, France, Switzerland, Spain, United Kingdom	Direct	NO

34	BF Hydraulics Srl	http://www.bfhydraulics.com/it/	2000	Less than 10	1-2mm Euro	Design and production of innovative tool post grinders for CNC lathes. Design and production of bespoke hydraulic press machines and cylinders of large dimensions as well as in mechanical machining.	Design and production of innovative tool post grinders for CNC lathes. Design and production of bespoke hydraulic press machines and cylinders of large dimensions as well as in mechanical machining.	Turned parts, Milled parts, Flanges	Painting	None	Machine building, Design and production of customized hydraulic press machines, innovative tool post grinders for CNC lathes	282999	Our products are used in many fields, such as shipbuilding, iron and steel industry, dams building.	Design, Quality	Switzerland, Austria, Romania // Indirectly products are exported internationally via BF's clients	None	NO
35	Minuterie Zanon S.r.l.	www.minuteriezanon.com	1989	20	4.524.661,86 €	We are specialized in precision-turned metal parts and mechanical processing for third parties.	None	Turned parts, Milled parts	None	None	None	94059200 94059900 84240080	hydraulics, pneumatics, lighting, furniture, precision mechanics and automotive	Technology, Quality, Quality/Price ratio	Germany, France, Switzerland, Spain	Direct	NO
36	OMT BONETTO SRL	www.omttech.com	1969	25	5.276.863	precision mechanical engineering on customer's drawing	turning parts	Turned parts	Heat Treatment, Galvanising	turning parts	Machine building		automotive, natural gas/LPG installations, hydraulic, pneumatic, pumps, agricultural machines	Quality	Germany, Switzerland	Direct	NO
37	MENTI METAL MECCANICA	www.menti-mm.it	1971	7	1.200.000	Wire processing	Welding, Bending, Stamping, thread rolling, turning	Turned parts	Painting, Galvanising	None	Metal wire processing with cutting, bending, welding, threading, turning, stamping	259310	Furniture, Medical, submersible pumps, electric motors, other	Quality/Price ratio, Variety of product range	Germany	Direct	NO
38	P.D. STAMPI srl	WWW.PDSTAMPI.IT	15/06/2001	5	700.000,00 €	construction of thermoplastic molds	Stamping	Turned parts, Fittings	None	Moulding	Sheet Metal Work, Mould making		construction, AUTOMOTIVE INTERIOR EXTERIOR	Design, Quality, Quality/Price ratio, Variety of product range	Germany	None	NO
39	GENERAL FLUIDI S.R.L.	WWW.GENERALFLUIDI.IT	1962	15	2.700.000,00 €	Design and production of hydraulic systems and components	design and assembly	hydraulic components	Painting	None	fluids management	84812010	Machine tools	Design, Quality/Price ratio	France, Austria	Direct	no
40	IVOPLAST S.R.L.	www.ivoplast.com	1974	112		plastic injection molding	None	None	None	Moulding	None	222909	injection molding of components from 0,05 grams up to 8 kg, every raw material family are	Technology, Quality, Variety of product range	Germany, France, brasil, slovakia	None	no
41	CM PLAST SRL	www.cmplast.it	42512	20		We design and extrude technical profiles in thermoplastic materials	None	Turned parts, Milled parts, Cutting	None	Profile design - Extruded profiles - Machined profiles	Mould making		SAM ERP 2 - AUTOCAD - WIN Sarp	Design, Technology, Quality, Quality/Price ratio, Variety of	Germany, France, United Kingdom, Russia, Portugallo,	Direct, Representing/Rappresentanza	no
42	WE LASER S.R.L.	www.welaser.it	18/03/2019	2		lasertube cutting	laser cut	None	None	None	large dimension tube and profiles	25.62	constructions	Quality, Variety of product range	None	None	NO
43	MAURITECH S.R.L.	www.mauritech.it	2006	10	2.000.000,00 €	Turned and milled components on customer drawings.	None	Turned parts, Milled parts, Fittings, Flanges	Heat Treatment, Galvanising	PVC, NYLON AND POM- C TURNED PARTS	None		COMPONENTS FOR LIGHTING, FOR THE ENCODER, AUTOMOTIVE, TAPS AND PUMPS	Technology, Quality/Price ratio, Variety of product	France	Direct	NO
44	MECCANICA VENETA S.R.L.	www.meccanicaveneta.com	1977	56	19,5 mln	Turning Company from 2mm to 40mm diameter	Turning	Turned parts	Heat Treatment, Stamping, Galvanising, TEM,	None	None	7326 - 7436	automotive, electromechanics, hydraulic components	Technology, Quality, Quality/Price ratio	Poland, Slovacchia, Slovenia	Direct, others company group's	NO
